

Media Release

Kimmo Alkio new COO of F-Secure Corporation

Zurich - July 06, 2001 - Mr. Kimmo Alkio has been appointed Chief Operating Officer of F-Secure Corporation. His responsibilities include Sales, Marketing, Finance and Customer Advocacy. The appointment is effective as of today.

Mr. Alkio has worked as CEO of the Group's subsidiary, F-Secure Online Solutions (F-SOS), since August 2000. Before that he has functioned in senior management positions in sales, marketing and business operations for Compaq/Digital's EMEA and global organisations.

"Kimmo's expertise and track record in operational management is a tremendous asset for our company," says Risto Siilasmaa, President and CEO. "F-SOS has made excellent progress and is now fully operational with a strong management team to build on this early success without Kimmo at the helm. This enables us to fully benefit from his valuable experience on the Group level."

Mr. Olli Heinonen will continue as CEO (acting) of F-Secure Online Solutions. He was previously responsible for Finance and HR in the same company. The strategy and objectives of F-SOS remain unchanged.

About F-Secure Corporation

F-Secure Corporation is a leading provider of centrally managed security for today's mobile, wireless enterprise. The company offers a full range of award-winning, integrated anti-virus, file encryption, distributed firewall and VPN solutions for workstations, servers, gateways and mobile devices. F-Secure products are uniquely suited for delivery of Security as a Service™ which provides invisible, reliable, always-on, and up-to-date security for the most widely distributed user base. Whether provided by corporate IT or delivered by service providers, F-Secure solutions extend policy-based security and instant alerts to all devices where information is created, stored or accessed.

Founded in 1988, F-Secure Corporation is listed on the Helsinki Stock Exchange [HEX: FSC]. The company is headquartered in Helsinki, Finland with North American headquarters in San Jose, California, as well as offices worldwide.
